1. Aims

This policy aims to ensure that:

Suitable education is arranged for pupils on roll who cannot attend school due to health needs

Pupils, staff and parents understand what the school is responsible for when this education is being provided by the local authority

2. Legislation and Guidance

This policy reflects the requirements of the Education Act 1996.

It also based on guidance provided by our local authority.

3. The Responsibilities of the School

3.1 If the school makes arrangements:

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school.

The Head Teacher will liaise with the class teacher and the parents

Work will be sent home via the 'SeeSaw' application if applicable

Parents will be consulted via telephone as to the suitability of the work sent home

A phone call from the teacher or sometimes teaching assistant will be made to the child, if it is a long, sustained absence, to support them in their learning.

3.2 If the local authority makes arrangements:

If the school can't make suitable arrangements, Newcastle Local Authority will become responsible for arranging suitable education for pupils.

In cases where the local authority makes arrangements, the school will:

Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil

Share information with the local authority and relevant health services as required

Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into school successfully

When reintegration is anticipated, work with the local authority to:

- Plan for consistent provision during and after the period of education outside the school, allowing
- the pupil to access the same curriculum and materials that they would have used in school as far as possible
- Enable the pupil to stay in touch with school life (e.g. through newsletters, emails, invitations to school events or internet links to lessons from their school)
- Create individually tailored reintegration plans for each child returning to school
- Consider whether any reasonable adjustments need to be made

4. Monitoring Arrangements

This policy will be reviewed annually by the Head Teacher, Rob Adams. At every review, it will be approved by a governor committee.
