

South Gosforth First School

'Roots to grow and wings to fly'

Art & Design

Take one picture

P.E

Fundamental skills

This term the children will be mastering basic movement of balancing.

Music

Strike, scrape and shake.

We shall research the meaning of 'percussion' and sing simple songs and rhythms with accompaniment. We shall move to a steady beat and use our bodies for percussion.

Maths

Addition and subtraction within 10

We will explore part whole models and fact families. We will learn our number bonds and will add and subtract numbers within 10.

Geometry: 2D Shape

We will explore different 2D shapes, comparing and sorting them.

English

The Robot and Bluebird T4W

The children will learn the model text and will produce a new piece of writing where they will change the character –'Bluebird' to a new character of their choice.

InstructionsT4W

The children will create a set of instructions using the process of T4W.

History

Toys from the past.

The children will be exploring and discussing their favourite toys and how they have changed over their own lifetime. We will look at timelines and we will then look at similarities and differences between their own toys and their grandparents' toys.

Year 1 - Autumn 2 2024

History: Toys from the past

Science

Everyday Materials

We will identify and name a variety of everyday materials, including wood, plastic, glass, metal, water and rock. We will distinguish between an object and the material from which it is made. We will describe physical properties and will compare and group materials.

Computing

E-Safety
Coding.

This term we shall use Code.org to discover what coding is and to make simple algorithms

PSHE - Relationships

The children will learn how to interact with others confidently and openly, asking for help when needed in difficult situations.

Design & Technology

Mechanisms: Making a Storybook

Exploring slider mechanisms and the movement they output to design, make and evaluate a moving storybook.

Religious Education

Christmas and Hanukkah.

This half-term we will consider what is meant by something being special or precious. We shall then learn about the birth of Jesus and the key features of Hanukkah.

Character
Culture
Creativity
Challenge

Enrichment, Hooks & Pupil Engagement: Exploring a range of historical artefacts in the form of old and new toys. Interview our parents and grandparents about their favourite toys. Exploring the outdoors looking for clues to how the seasons changes. Visiting Beamish as part of our History topic.

'The Big Picture' Task: Last year in Reception children talked about how they had changed since they were babies, their parents, and grandparents. We will build on this when exploring 'Toys from the Past' in History. They also explored the different seasons and we will build on this in our Science.

'Stunning Start' & 'Fantastic Finish': *Mantle of the Experts* - Create a Toy Museum!
