

Art & Design

Paper Play

The children will be learning about different ways to fold and attach paper to make 3D structures.

P.E

Defend, Attack and Shoot.

The children will practice throwing and catching with increasing control.

Music

Boom whackers

The children explore tuned Percussion through the use of the boom whackers.

South Gosforth First School

'Roots to grow and wings to fly'

Maths

Fractions

Children will explore halves, quarters and making fractions of a quantity.

Position and Direction

Vocabulary linked to position of objects will be revised and children will learn to recognise and use quarter, half and three-quarter turns.

Literacy

How to catch a star

Children will use Talk 4 Writing to explore the story and they will write their own version.

Geography

Hot and Cold Places

The children will learn about the equator and Polar Regions. They will be able to find hot and cold places on a globe and identify some physical and human features of these places, and gain an understanding of how the temperature may affect life for people living there.

Year 1 – Summer 1

Hot and Cold Places

Animals including Humans

Science

Animals including Humans

The children will identify and name a variety of common animals that are carnivores, herbivores and omnivores. They will identify and name the basic parts of the human body.

Computing

Ilearn2 – Comic Creation

The children will first learn to add a background picture or colour to their comic panel. They will then add some characters, speech/thought bubbles and objects to their exciting comics.

PSHE & 'Together Time'

Health and Wellbeing

Children will learn that there is a normal range of emotions that all humans experience in relation to different experiences and situations. The children will learn what it means to be healthy and why it is important.

Religious Education

Ideas about God in Christianity and Judaism.

Why is God so important in the lives of Christian and Jewish people?

**Character
Culture
Creativity
Challenge**

Enrichment, Hooks & Pupil Engagement: Hot and cold places

'The Big Picture' Task: The children will understand that this unit moves on from the topic plants and on to the topic of other living things.

'Stunning Start' & 'Fantastic Finish': *Mantle of the Experts* - Animals
