

South Gosforth First School
'Roots to grow and wings to fly'

Art & Design

Building bridges

The children will learn about the different types of bridge and will produce a variety of sketches.

P.E

Dance

The children will explore movement and different ways of travelling through dance.

Music

Djembe

The children will explore tuned Percussion through the use of djembe drums.

Maths

Measurement

Children will develop their knowledge of measuring length and height, mass and volume and position and direction.

Multiplication and Division

The children will learn to count, group and make arrays, counting in 2, 5 and 10.

Literacy

Sentence Level work

We will be working on basic sentence structure using a capital letter, full stop and finger spaces as well as using the word 'and' to join two ideas.

Information Texts

Children will use Talk 4 Writing to write their own information texts about the bridges of Newcastle.

History

Newcastle Bridges and Transport

The children will learn about the bridges of Newcastle and Gateshead and how transport has changed over the years. They will learn about the significant person George Stephenson.

Year 1 – Spring 2

Newcastle Bridges

Plants

Science

Plants

The children will identify and name a variety of common wild and garden plants including trees. They will learn the function of the parts of a plant and make observations of mustard seed plants.

Computing

Ilearn2 – Adding text and Images

PSHE & 'Together Time'

Money

Children will learn: The different types of money, that there are different ways to obtain and use money and the difference between needs and wants. They will also look at ways to keep money safe.

Religious Education

Easter

What is special to Christians? The children will learn about Easter and how Christians celebrate at Easter time.

Design Technology

Bridges

The children will design and make their own bridge using junk material.

**Character
